

## **Ti Training, Corp. Announces Partnership with Two Established Military and Defense Companies to Create European Operations**

Ti introduces its partnership with General Cabins Engineering & First Sight Marketing

Golden, Colorado – May 1<sup>st</sup>, 2009; Ti Training Corp, a supplier of interactive training products and services to the law enforcement, military and public safety markets today announced a partnership to establish European operations.

Ti Training has partnered with General Cabins of Dungannon, Northern Ireland, and First Sight Marketing of Lincolnshire, UK to form a European manufacturing, sales, marketing and service center for Ti products.

“This partnership and operation gives Ti a strategic advantage by providing manufacturing and most importantly same day service for our European customers” stated Vince Greiner, V.P. of Business Development. “We are proud to have General Cabins and First Sight as our representatives for the European market”.

The two companies have also been assigned to cover parts of the Middle East.

### About Ti Training Corp

Ti Training Corp, USA, an employee owned company, is a provider of training products, services and programs with its focus on interactive digital video training technology. Reaching law enforcement and public safety agencies throughout North America, Ti's team of industry veterans provide up to the minute technology, tactics and teaching to Federal, State and Local law enforcement, public safety, security and homeland defense agencies. Most recognized for the innovative creation of the “Training Table”, a library of training content authored by the most respected names in the training industry.
